

How would you feel if your manager observed you or helped with your work?

How would this affect your productivity?

What is stopping them from doing it more than they do?

Copy the Stars!

How would you feel if your manager observed you or helped with your work?

★
Trust

more connected
to
team/company

I'd feel like the
manager was
a collaborator
rather than an
adversary

Anxious

Bonding

★
Neurodiverse
Nightmare

Judged

Respect

How would this affect your productivity?

Improve
the
process

Solve
problems

★
Fewer
communication
barriers

Better
goal
alignment

Productivity
decrease with
the added
distractions

What is stopping them from doing it more than they do?

★
Lack of
tech skill

Fear of
destroying
autonomy

Judged on
meeting
attendance

Lack of
time

Time zone
differences
